

Special Needs Enrichment Program (SNEP) and Sibling Support

Leawood Baptist Church provides care and enrichment activities for children with special needs ages 18 months through the 9th grade and any siblings under the age of 6.

The children enjoy a pizza dinner, play time, art projects and inter-active group activities such as music therapy, puppet shows, magicians, balloon artists and other events.

Sibling Support is for siblings (ages K-6th grade) of special needs children led by facilitators as a support group for the siblings. They also enjoy pizza, games and join SNEP for the large group activities.

Paraprofessionals are in each special needs classroom and are assisted by middle school volunteers.
